Whereas, it is reported by the Superintendent of Police, South Goa District, Margao-Goa, that criminals with an intention of committing crime in Goa, usually stay in hotel/rented premises with fictitious names and bogus residential/official addresses and telephone numbers and after commission of crime, it becomes difficult to identify culprits, as the details furnished by them to the hotels, landlords are found fictitious/bogus.

And whereas anti-social/criminal or undesirable elements can camouflage their identity for their operations, which may be illegal/immoral and which may be required to be contained/regulated and as hotel owners/landlords tend to rent out premises without verifying the antecedents of the person and information to local police.
